Publication

All accepted EGOVIS2023 papers will be published by Springer in their Lecture Notes in Computer Science (LNCS). LNCS volumes are indexed in the Conference Proceedings Citation Index (CPCI), part of Clarivate Analytics' Web of Science; Scopus; EI Engineering Index; Google Scholar; DBLP; etc.

Submission Guidelines

Authors are invited to electronically submit original research contributions or experience reports in English. EGOVIS will accept submissions of both short (up to 6 pages) and full papers (up to 15 pages including references and appendixes).

Submission Procedure

Papers submission will be managed using EquinOCS Springer Nature Conference Proceedings Submission System.

Papers submission:

<https://equinocs.springernature.com/service/EGOVIS2023>

Authors should consult Springer's authors' instructions (<https://www.springer.com/gp/computer-science/lncs/conference-proceedings...>) and use the proceedings templates, either for LaTeX or for Word, for the preparation of their papers.

Program Committee Chair

- Andrea Kő, Corvinus University Budapest, Hungary
- Enrico Francesconi, Italian National Research Council and European Parliament
- Adeleh Asemi, University of Malaya, Malaysia
